Prior to Shipment:

1. Send a copy of the contract and a copy of the mare's papers to Redfield Farms, 35 Salters Farm Road, Califon, NJ 07830 or fax to 908-832-6256.
2. Send check for all fees associated with breeding.
3. You must contact Redfield Farms office, Emil Spadone, Bastian Shroder, or Chrissy Daigle by 6:00 PM EST the evening prior to collection day to order semen. Maximus, is collected on an every other day basis. The stud fee must have been paid for prior to collection. You may cancel that shipment up until 7:00 AM EST on the day of shipment at no penalty.
4. Mare must be inseminated by a licensed veterinarian.
5. Maximus semen may only be used for the intended contracted mare.
6. You must notify Redfield Farms when your mare has been checked for pregnancy. We require an ultrasound examination at 14- 16 days after insemination and again at 24- 35 days. If your mare is not confirmed in foal after 90 days we are not responsible and you will have to purchase another breeding to Maximus.
7. Redfield Farms will ship to one mare through a total of three heat cycles. If after three cycles the mare does not conceive, you will be allowed to rebreed the following year.
